

OSHA 30

2024

When:

7:30 am – 4 pm

Tuesday March 5

Thursday March 7

Tuesday March 12

Thursday March 14

Where:

**Sheffield Safety Training Center
24216 W Lockport St. Plainfield, IL**

The 30 hour outreach program was developed by OSHA in an effort to reach at-risk workers and educate them as to the hazards on their jobs. Construction professionals at every level will benefit from this comprehensive introductory course as they apply OSHA policies, standards, and procedures to construction safety and health.

**\$600/ PERSON
LUNCH INCLUDED**
